Check with a major advisor regarding the most appropriate course sequence. 60 units minimum will be transferred with this degree, however up to 70 transfer units can be applied to the lower division and lower division free electives if articulated.

Area 1, Area 2, Area 3, and Area 4 courses may be taken in any order during any semester.

A minor is strongly recommended and the "University Electives" can be used to complete a minor at SJSU after transfer.
